

# Redtail Ridge

## REDTAIL DEVELOPMENT PLAN VS. EXISTING CONOCO DEVELOPMENT PLAN

### CONOCO DEVELOPMENT PLAN

Approved by Louisville City Council in 2010.

### REDTAIL RIDGE DEVELOPMENT PLAN

Approved by City Council in September 2021. This plan would replace the Conoco plan and require new, permanent Open Space and public access, LEED-certified buildings, a permanent conservation easement, a minimum of 3 megawatts of renewable energy, among others.

#### MAP KEY

- |  |                        |  |  |
|--|------------------------|--|--|
|  | Property Boundary      |  | Public Open Space, Parks & Preserved Land    |
|  | Existing Trail Network |  | Public Safety Land Dedication (Fire Station) |
|  | Proposed Trail Network |  | Development Area                             |
|  | Existing Road Network  |  | Planned Retention Pond                       |
|  | Proposed Road Network  |  |  |
